PRESIDENTS MESSAGE

I write this the day after our Christmas Lunch at the Beaver Grill at the curling rink and I came away impressed with both the food, the presentation by the staff at the restaurant and the number of our members who attended.

There is something about sitting at a table with six or seven others that sparks a diverse conversation and you end up learning a lot about the others at the table. That is one of the core features of Probud, meeting and getting to know others and learning about their life and interests. I sat beside Lorne Pollard and learned that their daughter, (Lorne and Chris) is a teacher and at one time she taught at Lawrence where my daughter was the principal. Small world.

I hope all of you are enjoying your membership in Probud so far and I pledge that I will make every effort in the months to come to make the club more engaging and entertaining and a place where you will look forward to meeting with your fellow members.

Carol and I wish all of you a happy holiday with friends and family, and most of all, an interesting and successful new year.

CHRISTMAS LUNCH

Battlefords Probud had a Christmas lunch on December 10 at the Beaver Grill Express Restaurant with 33 members attending. The food was great and the

conversation even better.

Our Probud members came through with food donations and \$170 cash for the Battlefords District Food & Resource Centre.
