Lane presented name tags to new members. Larry Dunn was the only one present.

No meetings during July and August. The next meeting will be in September - a +1 membership drive. Anyone interested in a management position, let committee know.

Chris reported that the trip to the Power Plant was informative and interesting.

Susan reported that the Prairie Lily trip was great although it was a little chilly. Great meal at the Berry Barn afterward.

Haskaps will probably be ready by mid July. Bring a pail to pick or buy pre-picked. Lots of winter kill this year. Terry explained about the process of picking. Gerry printed out a map for everyone to get there. We will be notified when berries are ready.

Diane spoke about the Sask Power energy plan. Lots of free stuff, tips and good information. Can find details on Sask Power website.
